Learning Outcomes

On successful completion of this module, a student will be able to:

1. Discuss a range of topics exploiting the language systems (lexis, grammar) and skills (productive and interactive) covered in the module.
2. Distinguish among a variety of short and extended spoken texts within the lexical contexts covered in the module.
3. Demonstrate an understanding of a variety of text types within the lexical contexts covered in the module for general academic purposes, and display those reading skills practised within the module.
4. Construct detailed informal written texts demonstrating a command of the lexical and grammatical elements covered in the module.
5. Demonstrate awareness of cultural diversity based on class discussion and independent reflection.

Learning and Teaching Methods

- Adopting a broadly communicative and integrated approach to language teaching, methods may include inter-active seminars, short talks and presentations and workshops using both traditional and ICT-based materials. Emphasis will be placed on class participation, independent learning and skills development. Teaching approaches that recognise and foster a variety of learning and teaching styles and/or promote learner motivation may be employed.

Assessment Methods

	Weighing	Outcomes Assessed
Continuous Assessment	100%	
Oral Examination	30%	1,2,5
In-Class Assessment	35%	3,4
In-Class Assessment	35%	2,3,4,5

Assessment Criteria

70% +: The student has demonstrated the ability to understand, produce, apply and manipulate the specified language areas at a proficient level. The student has evidenced a high degree of consistency and accuracy across the skills areas.

60-69%: The student has demonstrated the ability to understand, produce, apply and manipulate the specified language areas at a competent level. The student has evidenced consistency and accuracy across the skills areas.

50-59%: The student has demonstrated the ability to understand, produce, apply and manipulate the specified language areas at a functional level. The student has evidenced some consistency and accuracy, but has also evidenced some imbalance across the skills areas.

40-49%: The student has demonstrated the ability to understand, produce, apply and manipulate the specified language areas at a basic level. Only when presented with tasks that are highly structured in nature or when the knowledge is isolated has the student evidenced any consistency or accuracy. Significant imbalance is evident across the skills areas.

Below

40%: The student has not demonstrated the ability to understand, produce, apply or manipulate the language at even a basic level in the skills areas.
